JURISDICTION

The jurisdiction of the Civil Service Commission is based upon the Organic Act of Guam, 4 GCA §§ 4401, *et seq.*, and the GIAA Personnel Rules and Regulations.

III.

INVESTIGATION

Anthony O. Quinene (“Mr. Quinene”), the complaining employee, through legal counsel, Curtis C. Van De Veld, filed a request for investigation pursuant to the Commission’s authority found at 4 GCA § 4403(a), (d) on August 10, 2015. Mr. Quinene claimed that he was denied promotion to the position of Fire Captain (Airfield) with the Airport and a person who did not meet the minimum qualifications was promoted ahead of him. On September 1, 2015, the Commission granted approval for and instructed staff to proceed with the post-audit investigation of the complaints raised by Mr. Quinene.

Pursuant to the approval and instruction of the Commission, Ms. Cruz conducted an extensive investigation, which included a comprehensive review of the pertinent rules and regulations, the relevant documents including, the job announcement, employment applications, rating records, eligibility certification list, and all other related documents, evaluation of all nine (9) Fire Captain (Airfield) applications and conferral with Virginia Molo, GIAA Personnel Specialist IV, and Michael Schniep, Department of Administration Personnel Specialist IV. As a result of the investigation, Ms. Cruz concluded that there were no improprieties in the merit recruitment process of the two (2) Fire Captain (Airfield) positions; that recruitment was accomplished in accordance with the merit principle recruitment process; and that although Mr. Quinene was not selected for the Fire Captain (Airfield) position, he was not denied his rights

1 under the principle of the merit recruitment process. He was considered for selection but, the
2 Executive Manager by his authority pursuant to 12 GCA § 1107, could only select and appoint
3 two (2) from any of the seven (7) certified applicants. On November 12, 2015, Ms. Cruz
4 presented the Report to the Commission and Mr. Fejerang represented to the Commission that he
5 reviewed the Report and consulted with Ms. Cruz and agreed with the conclusions of the Report.

7 **CONCLUSION**

8 Following presentation of the Report to the Commission, the Commission adopted the
9 recommendations of the Report by a vote of 6-0: that no further action be taken with regard to
10 the recruitment and selection for the Fire Captain (Airfield) position.

11 Thus, it is the determination of the Commission that this matter is now finally adjudged
12 closed.

13 SO ORDERED and ADJUDGED this 17th day of January, 2017, as determined by a
14 vote of 6-0 on November 12, 2015.
